Fruity Sugar Cookies
Yield: 4 dozen cookies

1 cup sugar
1 (3-ounce) package gelatin (any flavor)
3/4 cup shortening
2 eggs
3 cups all-purpose flour
1 teaspoon baking powder
½ teaspoon salt

1. Mix sugar and dry gelatin together. Add shortening and eggs; blend well.
2. Stir flour, baking powder and salt together. Add to sugar mixture.
3. Roll dough 1/4 inch thick on floured board. Cut with cookie cutters and place on ungreased cookie sheet.*
4. Bake at 375°F for 5-8 minutes.

*Optional: Instead of using a cutter, drop spoonfuls of dough on cookie sheet. Flatten before baking.
